

MERCURY

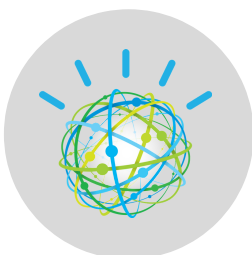

EMPOWERING CALL CENTERS & SALES TEAMS

ABOUT MERCURY

The Mercury AI platform from Digital Nebula empowers call centers and sales teams to do their best work. By capturing new communication signals normally lost in translation, Mercury derives meaningful data from an organization's current activities to deliver rich insights.

- 1** TRANSCRIBE CALL ACTIVITY
- 2** MEASURE SENTIMENT
- 3** ANALYZE DASHBOARD RESULTS
- 4** TAKE ACTION ON KEY INDICATORS
